

Community Tool Box 2010 | Out of the Box Prize

Recognizing innovative and promising approaches to promoting community health and development.

The Community Tool Box will honor innovative approaches to promoting community health and development worldwide with the 2010 Out of the Box Prize. We invite you to enter and encourage you to share contest information with others doing innovative work to improve life in their communities.

Your group's work may involve efforts to improve community health, education, urban or rural development, poverty, the environment, social justice, or other related issues of importance to communities. Applicants must be willing to share the group's innovative and promising approach with others.
