

# TRAINING

FROM OUR TEAM

## CAPACITY BUILDING

People taking action need skills in core areas including assessment, planning, advocacy, evaluation, and sustainability.

The KU Center for Community Health and Development has decades of experience teaching and stimulating use of basic community competencies; online, and through in-person, workshops, webinars, and classes.

## TRAINING OFFERINGS

### IN-PERSON WORKSHOPS & TRAININGS

Workshops are highly interactive, featuring turn-to-your-partner and group activities

---

### WEBINARS

Web-based trainings can be held individually or as part of a series

---

### ONLINE COURSE DEVELOPMENT

Adaptation of core competencies for specific audiences and online delivery

---

### CONFERENCE SESSIONS

Experienced presenters deliver guidance for larger audiences

---

### COMMUNITY CHANGE ACADEMY

Intensive (often 3 to 5 day) training in core processes for change and improvement

---

### TRAIN-THE-TRAINER

Experienced staff equip others to deliver field-tested trainings and curricula

# TRAINING

FROM OUR TEAM

## EXPERIENCED TRAINERS

Our staff have conducted hundreds of workshops for community coalitions, non-profit organizations, health departments, government agencies, foundations, and international NGOs.

## WHAT OTHERS ARE SAYING

“ I learned so much from this training! I tell everyone about it. I feel like I have a whole team of personal coaches.

The KU CCHD staff is the most responsive, helpful support I've ever received from an initiative like this. I know [we] will be a better coalition for having experienced this. I can't wait to put my new skills to work. ”

“ I am very excited to take back the information I have learned and use it in my community. ”

“ Enjoyed the activities and ability to work with my team on a particular topic/issue. ”

## PRACTICAL AND PRODUCT-ORIENTED

Participants can expect an interactive workshop supported by participant's guides, links to relevant online resources, and learning from real-world examples. Supplemental free, web-materials from the Community Tool Box, <http://ctb.ku.edu>, are available to support learners back home after the training.

Costs vary depending on the type and length of training.
