

ONLINE COMMUNITY COLLABORATION

TAILORED ONLINE WORKSTATION WEBSITES

WorkStations enable users to easily share materials, make announcements, access tools, learn from others' success stories, and access guidance from peer discussions. In short, they solve needs for online collaboration.

CUSTOMIZABLE FEATURES INCLUDE:

- ▶ Document Sharing
- ▶ Wikis & Blogs
- ▶ Announcements
- ▶ Photo Galleries
- ▶ Calendar
- ▶ Ask an Advisor
- ▶ Online Discussion
- ▶ Success Stories
- ▶ Project Management
- ▶ Capacity Building Tools
- ▶ Online Documentation & Support System for evaluation*

* An Online Documentation & Support System for monitoring and evaluation is available for a negotiated annual fee, depending on the desired level of documentation and evaluation support.
